Dear Mr. Blackerby,

Pursuant to arrangements made with you by Micheal Drozd, I am submitting a 1"=200' scale topographic map outlining the approximate boundaries of Catawba Tract 1282, Parcel 1, located in McCormick County, South Carolina. On this map are delineated three blocks which Gwalia (U.S.A.) Ltd. does not wish to disturb, with the exception of possible roadways, or purchase at this time. The three blocks are divided as follows:

1. NW Block ~ 16.5 acres
2. NE Block ~ 4.2 acres
3. S Block ~ 11.9 acres

Total ~ 32.6 acres

The remaining contiguous block consisting of about 115.4 acres is the portion of the 1282 Tract which Gwalia intends to purchase.

If you have any questions or comments on this matter, please feel free to contact me.

Regards,

David W. Halverson
Mine Engineer
